Insecticides like all com - pounds have their peculiar properties. Insecticides are formulated to control specific insects and they may have varying residual effects.

Last week I asked John Alvis how had he managed to keep Japanese Beetles off his grapes. There wasn't a hole in any leaves, John said, "my wife sprays with Sevin every day".

We've had calls from others who say beetles tend to fatten from Sevin. When questioned closely you'll find that the use is from 7 to 10 days apart.

Sevin washes off very rapidly unless a sticker is used. For severe Jap. Beetle problem 3-4 days isn't to often for effective control.

I was interested in hearing W. D. Hunter, Jr. comment about the effectiveness of Lannate against hornworms on tobacco. Walter said, "Look that worm is on the ground and this stuff hasn't been on 30 minutes.' Looking over the crop, he said, "and there's another one on the row I just sprayed, I'm going to set a stick beside this plant and see how long it takes him to die". Walter looked around for a stick started to push it into the soil and said, "Look, he just fell off".

Lannate is one of several good materials we're recommending for tobacco. Use them carefully and sparingly.

Essex is a new soybean variety that will have limited seed supplies available for certified seed producers in 1973.

Essex is a high quality bean, excellent standability, good seed quality and matures 3 to 5 days earlier than York and Dare. Protein content is above 40 percent.

Essex could well be the soybean for the '70's.

I looked at Bob McClenny and John Alvis Midland Bermuda last week. They are getting a good stand. We're going to see more Midland established for just such a periods of the year as now. One acre will handle 5 to 6 animal units.

Hay is of good quality producing up to 6 to 7 ton's per acre if cut every month and well fertilized.

If your P.K, and Lime are in good shape on fescue sods now is a good time to apply 75 to 100 pounds of N.

Here's why you should consider stockpiling fescue:

1. Vigorous fall growth - 2. Stong sod - 3. High in sugar and carbohydrates - 4. Good protein quality during winter months - 5. Fescue grows on a wide variety of soils.

Wins Honors At Hog And Trade Show

John L. Wilson, local pork producer and United Air Lines pilot, won several honors at the 12th annual Virginia Market Hog and Trade Show held July 19-20 at Emporia, Virginia.

Mr. Wilson, a member of the Board of Directors of the Piedmont Pork Producers Association, placed fourth in the "pen of three" competition; sixth and ninth in the Singles category; and seventh in the Carcass Contest. Animals winning in the "pen of three" were bred locally at Terra Lea Farms by Earl T. Pickett and the Carcass Contest winner was bred by R. Monroe Dyess.

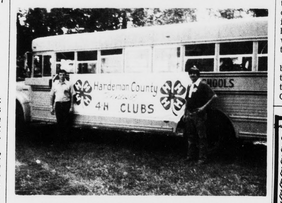
Local members of the Appomattox Pork Producers Association attending the show were George Shirey, R. Monroe Dyess, Robert Dyess and Frank H. Sweet, Extension Agent.

Tennessee 4-H'ers In Appomattox

Monday afternoon, nine Hardeman County, Tennessee 4-H members and their leaders, Mr. Ken Goddard and Miss Jane Jerrell, arrived in Appomattox to begin a one week stay. The trip is a part of a 4-H Interstate Exchange program which began last summer when Appomattox 4-H'ers visited Tennessee.

Welcoming the group on Monday were senior 4-H members from Appomattox, Nelson, and Amherst counties in addition to extension agents from those counties. While visiting the three county area, the group will tour various historical, and educational facilities.

Pictured above are 4-H'ers and Leaders. They are: Front row: Jackie Kinegy, Tammy Lake, Don Taylor, Perry Lane - Back row: Jane Jerrell, Adult Leader, Donna Wilson, Cathy Lake, Susie Wilson, Bobby DePriest, Mike Barham and Ken Goddard, Extension Agent.



PICTURED ABOVE ARE KEN GODDARD (left) Extension Agent from Hardeman County, Tennessee and Jesse Ford, Extension Agent from Amherst County posing beside the bus that served as transportation for the 4-H Interstate Exchange group from Tennessee that arrived in Appomattox Monday for a week stay in Virginia.

Consumer Health Education Program Held 1st Meeting

The first meeting of the Consumer Health Education Program for Appomattox was held at the District Extension Office.

The local people involved were health officers and nurses, welfare personnel and extension agents, also Mr. Eugene Peyton, Acting Superintendent of Schools, representing education.

This project is federally sponsored and supported by Governor Holton. Virginia was one of four states selected as pilot areas for this project.

The framework has been set up for our state and we will be directed from the University of Virginia at Charlottesville.

The purpose and promise of this special project is that all consumers (general public) will have changed their behavior patterns to have a new interest- (a) their greater concern for personal health, (b) their knowledge of possible steps to prevent illness occurrance and to prevent minor illness progression, (c) their knowledge of how to obtain access to the health delivery system most effectively, (d) their knowledge of how to accomplish self-help without or prior to calling on the formal health care system.

More public information will be forth coming this fall through the schools and the local county agencies serving Appomattox County.

GUESTS AND PROSPECTIVE new members were at the dinner meeting of the Appomattox Jaycees on Wednesday evening, July 19th. In the photo above are, from the left to right: Ty Strout, State President; Gary Wilkerson, Regional Vice-President; Clarence Smith, Prospective Member; John Fray, National Director; Stewart, Prospective Member; Bill Prospective Member and Tom Parker, ident of the Jaycees of Appomattox.

Scouts Win In Anti- Litter Contest

Top local winners in the anti-litter, beautification and recycling contest for Boy and Girl Scout units were announced today by the Owens-Illinois Paper Mill.

Boy Scout Troop #546 of Appomattox, Virginia and Brownie Troop #375 of Lynchburg, Virginia, were named the local winners. Both scout units will receive $25 and become eligible to compete for a national award up to $500. Mr. Floyd Flint is Scoutmaster of Boy Scout Troop #546 and Mrs. Edward Anderson is Leader of Brownie Troop #375.

Cadette Girl Scout Troop 603, led by Mrs. D. L. Atkins, of Trevillians, Virginia, Cub Scout Pack 166, led by Mrs. Donna Mason of Rustburg, Virginia, and Boy Scout Troop #216, led by Mr. Jim Deaton of Hollins, Virginia, were named runners-up in the local contest and will each receive $20.

National winners in each of the seven scout classifications -- Cub Scouts, Boy Scouts, Explorers, and Girl Scout Brownies, Juniors, Cadettes and Seniors -- will receive $250 and the grand national winner will receive an additional $250.

In total, more than $7,000 in local and national prizes is being offered in the nationwide environmental contest.

National winners will be selected by a screening committee at the corporation's headquarters in Toledo, Ohio. National winners will be announced in September.

According to Mr. K. G. Van Tine, O-I plant manager, 30 scout units participated in the local contest, and nearly 1,300 units throughout the U. S. entered the contest.

Mr. Van Tine said the anti-litter beautification accomplishments of the local winners were judged the most outstanding on the basis of significance, effectiveness, group effort, and uniqueness -- as described in the special written report submitted by each local scout unit.

Scout Troop 546 organized a massive cleanup campaign of their entire area, coordinating and directing the activities of all scout troops within the area.

Brownie Troop 375 conducted an intensive cleanup of a school playground, athletic field and adjacent cemetary, including painting the playground equipment.

Orioles To Hold Tryout

The Baltimore Orioles will hold a tryout camp at Speppard Stadium in Colonial Heights, Va. on the date of Saturday, August 5th, at 9:30 a.m.

All players must bring their shoes, glove, uniform and indentials. All boys must pay own expenses to the camp. If any boy attending is signed to a contract with the Oriole organization all expenses incurred will be refunded.

American Legion Junior Baseball players must bring written permission to attend the camp from their Legion coach or their Legion Post Commander.

The camp will be under the supervision of Oriole scout, Dick Bowie.

Are You Interested?

If there is enough interest, the golf committee of Falling River Country Club will plan and conduct a junior tournament for members 13 years of age and under. Boys who are 14 years of age or older may compete in the F. R. C. C. Labor Day member tournament.

Those who want to play in a junior tournament are asked to sign up, on the register posted in the house at the first tee, on or before Sunday, August 6. A date for the tournament and number of holes to be played, will be determined later.

interest ?
If not, you may be losing money. Because some banks only compound interest on Passbook Savings quarterly or semi-annually. Even worse, if you withdraw funds before the interest date, you don't receive one penny's interest on the money you withdraw. But at Fidelity National Bank, we compound daily ... from the day of deposit to the day of withdrawal. And daily interest gives you an effective annual yield of 4.6% instead of 4.5%.
